FIAT

Fiat Stilo.

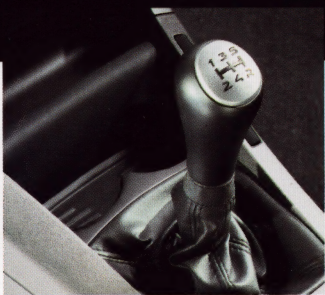

A revelation

Innovative to the core, the 2004 Fiat Stilo range is a benchmark for technology, style and comfort. The Fiat Stilo 3-door brings you a dynamic sporting edge, while 5-door models are versatile, elegant and equipped with the kind of technology and details you would find in more expensive cars. The Fiat Stilo Multi Wagon is simply two cars in one; a spacious stylish estate and a highly flexible MPV. Fiat Stilo; expect the unexpected.

Inside style

Fiat Stilo is available with
a manual or sequential
Selespeed gearbox.

The interior of the 2004 Fiat Stilo range is even more appealing, with new colours and materials. Light shades create a feeling of bright relaxing roominess, while a black sporty finish with metallic grey inserts is a perfect setting for advanced technology and equipment.

Black sporty fascia featuring
Hi-fi system, available with
CD and MP3 player.
